Abuse; *see* Violence

Acanthosis nigricans
Acanthosis nigricans as an early clinical proxy marker of increased risk of type II diabetes (Bent et al) 415

Accident prevention
Home visitors' beliefs and practices regarding childhood injury prevention (Pratt et al) 44

Accidental falls
Exploring seniors' views on the use of assistive devices in fall prevention (Aminzadeh and Edwards) 297

Accidents, traffic
Child safety seat misuse: home visiting assessment and intervention (Block et al) 250

Acquired immunodeficiency syndrome
HIV/AIDS: a challenge in the classroom (Grier and Hodges) 257
Meeting the needs of women living with HIV (Metcalfe et al) 30

Adolescence
Adolescent pregnancy and loneliness (Klein) 338
Collaboration between schools of nursing and local education agencies to provide health care services to pre-kindergarten through twelfth grade students: elements of cooperative agreements (DeLellis et al) 104
The importance of the health education program environment for pregnant and parenting teens (Alpers) 91
Parenting competence, social support, and self-esteem in teen mothers case managed by public health nurses (Herrmann et al) 432

African Americans
Prostate cancer education in African American churches (Weinrich et al) 188

Aged
America is aging: are we ready? (Reinhard) 233 (Editorial)
The crisis of elder care (Graham) 387 (Editorial)
Depression, physical health impairment and service use among older adults (Badger) 136
Depressive disorders among the Chinese elderly in a suburban community (Lu et al) 196
Exploring seniors' views on the use of assistive devices in fall prevention (Aminzadeh and Edwards) 297
Older women's beliefs about physical activity (Conn) 370

Arabic
An Arabic language version of the Health Promotion Lifestyle Profile (Haddad et al) 74

Beliefs; *see* Knowledge, attitudes, practice

Caregivers
Consistency between preference and use of long-term care among caregivers of stroke survivors (Chiu et al) 379

Case management
The effects of nursing case management on the utilization of prenatal care by Mexican-Americans in rural Oregon (Thompson et al) 82
Parenting competence, social support, and self-esteem in teen mothers case managed by public health nurses (Herrmann et al) 432

Cerebrovascular disorders
Consistency between preference and use of long-term care among caregivers of stroke survivors (Chiu et al) 379

Child
Benefits and barriers to well-child care: perceptions of mothers in a rural state (Earle and Burman) 180
Child safety seat misuse: home visiting assessment and intervention (Block et al) 250
Collaboration between schools of nursing and local education agencies to provide health care services to pre-kindergarten through twelfth grade students: elements of cooperative agreements (DeLellis et al) 104
HIV/AIDS: a challenge in the classroom (Grier and Hodges) 257
Home visitors' beliefs and practices regarding childhood injury prevention (Pratt et al) 44
Long-term maternal-child home visiting (Byrd) 235
A qualitative assessment of inner city elementary school children's perceptions of their neighborhood (Polivka et al) 171

Child abuse
Case study: shaken baby syndrome—one disorder with two victims (D'Lugoff and Baker) 243

Child behavior disorders
Impact of marital quality and parent-infant interaction on preschool behavior problems (Benzies et al) 35

China
Depressive disorders among the Chinese elderly in a suburban community (Lu et al) 196
Development of a community-based diabetes and hypertension preventive program (Wang and Abbott) 406

Churches
Prostate cancer education in African American churches (Weinrich et al) 188

Client satisfaction; *see* Patient satisfaction

Clinicals
Reconceptualization of community health nursing clinicals for undergraduate students (Helvie and Nichols) 60

Collaboration
Collaboration between schools of nursing and local education agencies to provide health care services to pre-kindergarten through twelfth grade students: elements of cooperative agreements (DeLellis et al) 104
Comox Valley Nursing Centre: from collaboration to empowerment (Clarke and Mass) 216
Interorganizational collaboration: a cautionary note for tribal health nurses (Smith) 131

Communication
Communicating with the public: community-based nursing research and practice (Flynn) 165

Community health nursing
The community health nursing implications of the self-reported health status of a local homeless population (Reichenbach et al) 398
Reconceptualization of community health nursing clinicals for undergraduate students (Helvie and Nichols) 60

Community-based nursing
Communicating with the public: community-based nursing research and practice (Flynn) 165
Influence and leadership in community-
